## // TO GET IN CONTACT

If you are interested in our services, please contact us for a personal consultation. Our office is located in the center of Munich directly opposite the "Agentur für Arbeit" (employment center). We are easily reachable by car or via public transport. The closest subway stations are Goetheplatz (subway U3 and U6) and Sendlinger Tor (subway U1, U2, U3 and U6). There are also bus stops in front of our office (bus 58 and 152). The entrance to our office is on the patio level.

## // INDIVIDUAL LEGAL ADVICE

Our clients are private individuals (including employed and self-employed) and business of all sizes. We represent our clients in as well as out of court. We handle simple and complex legal issues, and we regularly advise our clients in connection with customized consultancy agreements and other routine business and employment matters.

## // EXPERTISE AND EXPERIENCE

As a result of our experience the fields listed above are the focus of our practice. Naturally this is only an overview, and it is not a complete listing of our competencies. If you have a question regarding a different field of law, please feel free to contact us at any time, we would be pleased to assist and direct you. With regard to our experience please refer to the profiles of our partners. All of our lawyers are fluent in English and German.

## // YOUR OWN LEGAL DEPARTMENT

We offer specialized services for small and medium sized companies and self-employed persons. Together with a client, we analyze their situation and needs. Often, for a flat rate, we can assume certain legal tasks for the client. For example, we have assumed such tasks for clients as claims management, contract management and/or other continuing consultancy services. With rk Rechtsanwälte, even a small business can afford its own legal department, capable of dealing with all of the company's legal issues.

## // COOPERATION WITH PROF. SATZGER<sup>1</sup>

The firm also cooperates with leading experts consistent with our effort to deliver superior results for our clients. In the field of criminal law, for example, we cooperate with Prof. Satzger from the University of Munich (Chair in German and International Criminal Law).

<sup>1</sup> Prof. Satzger is not formally associated with or a member of the firm.
